## **RECEIPT OF FREEDOM OF INFORMATION ACT REQUEST**

Dear Mr. Pfeiffer:

This letter acknowledges the receipt of your July 29, 2019, Freedom of Information Act (FOIA) request. You requested the following:

"Meeting minutes, emails, reports, analyses, exhibit development reports and plans, copies of exhibits, and other records related to Nevada National Security Site (NNSS) educational efforts, programs, and exhibits at Elementary, Middle, and High Schools in Nevada and other states. For example (but not limited to), see the September 27, 2016 tweet from the official NNSS Twitter account referencing a display at "Las Vegas' Mabel Hoggard Elementary School."

It is the practice of the National Nuclear Security Administration, in accordance with Departmental policy, to process FOIA requests in the approximate order of the date received by this office. We will make every effort to respond to your request as quickly as possible. Although we are committed to responding to your request in a timely manner, we estimate that we will not be able to respond to your request in 20 working days. Some requests require additional time to complete, depending upon the volume of records, the complexity of the search, and/or the sensitivity of the subject matter. We have determined that for your request, we need more time to complete the search of facilities geographically separated from this office, review the record(s) for release, and prepare the response to you. Reformulating or otherwise narrowing the scope of your request may result in a quicker processing time.

In your FOIA request, you identified yourself in the educational/scientific category for fee purposes. Pursuant to 10 CFR 1004.2(c) we are requesting additional information in order to determine your fee category. Please provide an explanation to us regarding the intended use of the records you are requesting. If we do not receive a response regarding your intended use of

the records by August 12, 2019, we will consider your request withdrawn and will close it with no further action.

You may contact me as NNSA's FOIA Public Liaison at 1-866-747-5994, or by mail at Department of Energy, National Nuclear Security Administration, Office of the General Counsel, PO Box 5400, Albuquerque, NM 87185, for further assistance and to discuss any aspect of your request. Additionally, you may contact the Office of Government Information Services (OGIS) at the National Archives and Records Administration to inquire about the FOIA mediation services they offer.
